## **Our Way of Life**

*Jesus has become our life, our Lord, our Savior, our all. We have embraced his grace and received his forgiveness for our sins. We are his, and we are following him - learning to love as he loved and serve as he served. This is our journey. We know we haven't arrived. We know we can't make it alone. So we travel the narrow road Jesus chose, guided and empowered by his Spirit. This is the best way to live. Connected with God and with each other, we are becoming the people we are meant to be - a people fully alive. Together, we commit to honor God and one another as we seek to:*
